CDR Albus,

I apologize for the short notice, but I wanted you to know that DPS/DL has been directed by the Secretary of State (SOS) to conduct EIC operations outside of "brick-and-mortar" offices in Regions 1, 2 and 4 beginning next week. While this does not immediately affect your region, we expect to be directed to issue EICs using mobile systems we have built in Region 6 as early as the 7th of October. As soon as I receive a list from SOS of locations, I will forward to you.

SOS has purchased enough equipment (computers, scanners, cameras...) to build 25 "Mobile Light" systems for use in issuing EICs only. Region 6 will receive four of the twenty-five systems (see attachment). IT has configured these computers to protect the PII of the customers and we (DL) developed a business model for our employees to use.

Because of security reasons, these units do not have internet access and our employees will not be able to verify customer eligibility on site. In order to overcome this, AD Skylor Hearn has determined that our personnel can use the Regional Communications Centers to run a 10-27 on the applicants to verify their eligibility to receive an EIC (we will not run a warrant check). We have loaded all six regional numbers into the cell phones that are included in the kits. While some technical issues remain, we are planning to issue the equipment tomorrow and train our personnel to use the systems.

The initial distribution plan is:

Region 1A - 4 Sets
Region 1B - 4 Sets
Region 2A - 2 Sets
Region 2B - 2 Sets
Region 4 - 4 Sets
Region 6A - 4 Sets

Team,

This is to clarify an issue regarding EIC applications from college students who reside in Texas and hold out of state DL/ID. Apparently one of our offices advised an out of state college student they would have to surrender their (out of state) DL to obtain an EIC.

Students who live in Texas but hold an out of state DL/ID are **NOT** required to surrender their out of state license when they apply for an EIC.

One of the seven forms of acceptable ID for voting is a Texas DL, an out of state DL is not one of them. The out of state student may keep their DL AND get an EIC.

Folks: Election Certificates will be a big deal for the next week to ten days. Expect to be peppered with requests regarding the number of certificates we have issued and if there are any problems with issuance. We should expect this as part of the normal course of events.

I would ask you to institute the following in your regions:

- Have your offices report anyone asking for an EIC to you, and in turn pass this to me.
- Daily at 11:00 and again at 4:00, please send me a note about any EIC requests/issuances.

I know this sounds redundant... and you are right, but trust me on this one – I will need negative activity reports to feed the machine up here.

Thank you for your patience

Folks if this is a repeat, please forgive me; at the end of today's ops, please send your report in the standard format - and also in a regular email. I only have an iPad and so cannot use excel for the this.
 Monday morning I will have my regular computer and can do all the fancy formatting for the formal report. Thanks.
